

Student A: Compare photographs 1 and 2 and say what kind of lives you think these people lead.

Student B: When your partner has finished, say which person you would prefer to change places with for a month if you had to choose.

What kind of lives do the people lead?

Now change roles. Follow the instructions above using photographs 3 and 4.

What to expect in the exam

- The second part of Student A's task, which begins 'and say', is reproduced as a question above the photographs.
